The versatile VARIOCART for transporting and providing drinks, food, dishes, laundry, and much more. With 2 to 5 ergonomically reachable shelves, each VarioCart offers generous storage space in Euro container format for every need and is accessible from all sides.

The VARIOCART made of stainless steel is the ideal transport trolley for drinks, food, and dishes. As a versatile assistant in the gastronomy sector, hotels, and care facilities, it offers high robustness and durability thanks to its stable stainless steel construction. Ergonomic use is ensured by the stainless steel push handles and height-adjustable shelves. The shelves provide a practical storage area in Euro container format. Smoothly folded shelf edges allow for easy cleaning and perfect hygiene. The lightweight, dismountable serving trolley is equipped with four swivel castors, enabling smooth movement and precise manoeuvring. The serving trolley is delivered disassembled in a space-saving flat-pack shipment, and the necessary tools for quick and easy assembly are included.

- The collapsible design allows for disassembled delivery in space-saving flat-pack shipping.
- The frame construction ensures torsional stiffness and also serves as a push handle.
- The decoupled construction guarantees quiet transport. Sound insulation ensures whisper-quiet transport.
- Smoothly folded edge flaps without voids allow for easy cleaning and perfect hygiene.
- Extensive equipment options offer individual usage and customization possibilities.
- High-quality craftsmanship using premium stainless steel enables easy cleaning and perfect hygiene.
- Valuable materials ensure sustainability and value retention.
