Similar to illustration, technical modifications reserved. Without decoration.

The versatile VARIOCART for transporting and providing drinks, food, dishes, laundry, and much more. With 2 to 5 ergonomically reachable shelves, each VarioCart offers generous storage space in Euro container format for every need and is accessible from all sides.

The VARIOCART made of stainless steel is the ideal transport cart for beverages, food, and dishes. As a versatile assistant in gastronomy, hotels, and care facilities, it offers high robustness and durability due to its stable stainless steel construction. Ergonomic use is ensured by the stainless steel push handles and height-adjustable shelves. The shelves provide a practical storage area in Euro container format. Smoothly folded shelf edges allow for easy cleaning and perfect hygiene. The lightweight, collapsible serving trolley is equipped with four swivel castors that enable smooth driving and precise manoeuvring. The serving trolley is delivered disassembled in space-saving flat-pack shipping, and the necessary tools for quick and easy assembly are included.

- The foldable design allows for disassembled delivery in space-saving flat-pack shipping. - The frame construction ensures torsional rigidity and also serves as a push handle. - The decoupled construction guarantees quiet transport. Sound insulation ensures whisper-quiet transport. - Smoothly folded border flaps without cavities allow for easy cleaning and perfect hygiene. - Extensive equipment options offer individual usage and customization possibilities. - High-quality processing of premium stainless steel enables easy cleaning and perfect hygiene. - Valuable materials ensure sustainability and value retention.
