Stainless steel chassis for holding one Hupfer AB 50 plastic waste container.

Robust and hygienic design, made of stainless steel. Star-shaped tube frame made of square tubes, with hygienic plastic end caps. Each frame leg with stainless steel bracket for safely fixing the loosely placed waste container. Trolley runs on 3 swivel casters, \varnothing 3.0" (75 mm), with back-hole fastening. Chrome-galvanised housing, plastic caster wheel with plain bearing and antistatic running tread.

The Hupfer chassis AB-FG 50 L provides a perfectly fitting and space saving mobile base for the plastic waste container AB 50L.
