Hupfer offers a mobile shelving set for the efficient organisation and storage of materials. The modular design allows for flexible adaptation to various storage requirements and facilitates transport due to its lightweight construction.

Discover the Norm 20 Mobile Shelf Set for a 600x500 mm top by Hupfer – the perfect solution for efficient organisation in the hospitality industry. This practical shelf set made of high-quality aluminium is disassemblable and allows for flexible use in various areas. The sturdy shelves provide optimal storage space for your materials and ensure an orderly arrangement. Thanks to its mobility, you can effortlessly move the shelf set to wherever you need it. Benefit from the combination of functionality and design that optimises your workflows and increases efficiency. With the Norm 20 Mobile Shelf Set, you are choosing quality and flexibility for your hospitality solutions.

- **Modular Design:** Flexibly adaptable for different applications, allowing for individual adjustment to specific storage requirements.
- **Lightweight Aluminium Construction:** Robust materials ensure high stability and durability, reducing effort during transport and handling.
- **Expandable Shelf Space:** Provides space for cushions measuring 600x500 mm, optimising the use of available space.
- **Easy Assembly:** Disassemblable design allows for straightforward assembly and disassembly, saving time and effort during storage.
- **Versatile Application:** Ideal for use in the hospitality and medical sectors,
