Closed support made of polystyrene segments on aluminium support beams.

The effortlessly attachable, closed plastic insert provides a lightweight, secure, and very easy-to-clean surface, even suitable for the dishwasher. This insert for the Norm 12 shelf can hold high loads despite its low weight. Temperatures of -30°C are not a problem even in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees to buy back your entire shelf at the end of its service life.

- Closed design in plastic with low weight ensures safe, hygienic storage and clear access at any time. - Quality workmanship from high-quality plastic enables perfect hygiene and easy cleaning, even in the dishwasher. - Valuable materials ensure sustainability and preservation of value. - Stable construction guarantees high load capacity. - Modular system ensures easy handling from assembly to cleaning with minimal effort.
