Closed support made of polystyrene segments on aluminium bearer beams.

The effortlessly attachable, closed plastic tray provides a lightweight, safe, and very easy-to-clean surface, even dishwasher safe. Despite its low weight, this tray from the Norm 12 shelf can hold high loads. Temperatures of -30°C are also no problem in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees to buy back your entire shelf at the end of its service life.

- Closed design in plastic with low weight ensures safe, hygienic storage and clear access at all times
- Quality processing of high-quality plastic enables perfect hygiene and easy cleaning even in the dishwasher
- Valuable materials ensure sustainability and value retention
- Stable construction guarantees high load capacity
- Modular system ensures easy handling from assembly to cleaning with minimal effort
