Weight:	3 kg
Width:	1100 mm
Depth:	384 mm
Height:	53 mm

Similar to illustration, technical modifications reserved. Without decoration.

Solid shelf made of polystyrene segments on aluminium carrier bars.

The effortlessly attachable, closed plastic insert provides a lightweight, secure, and very easy-to-clean surface, even dishwasher safe. Despite its low weight, this insert for the Norm 12 shelf supports high loads.

Temperatures of -30°C are also not a problem in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees to buy back your entire shelf at the end of its service life.
