Mobile provisioning table with smooth, welded provisioning surface.

Trolley in robust, self-supporting and hygienic design, made of high-quality stainless steel. Robust design with jointless square tube frame, with welded provisioning area made of stainless steel sheet. Tabletop designed for easy cleaning and folded on all sides. Underneath, two pairs of insert rails that can be inserted into the frame rack, plus one welded pair of rails. 4 polyethylene corner bumpers serve as bumpers and protect both the mobile table on all sides as well as building-side walls from being damaged. Trolley runs on 4 swivel casters, 2 with total locks, \varnothing 3.0" (75 mm), with back-hole fastening, chrome-galvanised housing, plastic caster wheel with double ball bearing and thread guard, electrically conducting (antistatic), dimensions as per DIN 18867-8.
