The sign holder is used for attachment to existing equipment and for marking storage and transport goods.

The practical sign holder for attachment to existing devices serves the organised labelling of storage and transport goods. The Hupfer sign holder made of stainless steel ensures a stylish and clear presentation of information and optimised logistics. The robust construction is easy to assemble and keeps the signs protected in a highly visible position. The high-quality design guarantees a durable and reliable attachment. The sign holder is easy to clean and meets the highest hygiene standards.

- Robust construction allows for easy assembly and reliable fastening
- Installation enables clear labelling and optimised logistics
- High-quality execution ensures easy cleaning and optimal hygiene
