The clipboard serves as a portable writing surface and for securing paper, files, forms, or notes.

The comfortable clipboard made of high-quality stainless steel serves as a portable writing surface for on-the-go use or in tight spaces. The Hupfer clipboard supports an organised way of working and is suitable for meetings, visits, presentations, and appointments in all areas of work. The robust yet lightweight design ensures effortless transport and long-lasting use of the clipboard. The strong clip at the top holds paper, forms, files, and notes securely in place without any hassle. The smooth surface allows for easy writing, drawing, and signing, optimising the writing process. The clipboard provides immediate access to important documents and improves workflow. The integrated practical pen holder in the clip ensures easy handling and convenience when flipping through pages. The hook rail attached to the back allows for easy hanging of the clipboard in any situation and provides practical hands-free use.

- Robust design allows for effortless transport and durable use - Strong clamp holds documents securely and effortlessly in place - Smooth surface enables easy writing and optimises the writing process - Integrated pen holder ensures easy handling and convenience when flipping pages - Rear hook bar allows for easy hanging and practical hands-free use
