<b>Height:</b>	260 mm

The partition for shelf supports ensures an organised storage of materials.

The shelf divider for shelf supports is the perfect solution for more order in your shelves. It effectively divides the shelf space and creates room for an organised storage. By using high-quality, recyclable stainless steel and its robust construction, the shelf divider for shelf supports is also durable even with frequent use and can be easily cleaned hygienically.

- effective division of shelf supports
- tool-free assembly
- use of high-quality, recyclable stainless steel for long durability and hygienic cleaning
