The L-profile insert rails Medidul made of stainless steel provide a reliable and stable support surface for your cargo.

The effortlessly attachable insert rails made of high-quality stainless steel provide a reliable and stable support surface for your baskets or containers. The integrated push-through protection prevents the unintentional pushing through of baskets or containers, allowing for safe storage. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees today to buy back your entire shelf at the end of its service life.

- Stainless steel construction ensures safe, hygienic storage
- Push-through protection prevents the unintentional pushing through of cargo
- Quality craftsmanship of high-grade stainless steel allows for perfect hygiene and easy cleaning
- Valuable materials ensure sustainability and value retention
- Stable design guarantees high load capacity
